To Whom It May Concern,

It is with great pleasure I write this letter of recommendation for Hillary Adams. I had the wonderful opportunity to work alongside Hillary at Fire Prairie Upper Elementary for the 2017-2018 and 2018-2019 school years.

Hillary's ability to connect with students to form strong relationships paired with her outstanding teaching abilities allow her to create a classroom atmosphere that students thrive in. She has impeccable classroom management skills to ensure that the classroom is a safe, productive environment for students. Hillary is an amazing team player who goes above and beyond for her entire school. She is a true leader who has lead several professional development meetings as a representative for Fire Prairie's PBIS team.

In short, Hillary would be an invaluable addition to the faculty in your school district. I have no reservations giving Hillary my highest recommendation for the Visual Art Educator position in your district. Please feel free to contact me for more information regarding Hillary and her abilities.

Yours sincerely,

Natalie Snow Veney
